

LUCAS-EMERENINI CHIBUIKEM KENNEDY

Frontend Developer (React, React Native & Three.js)
chibuikemlucas@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#) | [X](#)

SUMMARY

Creative and innovative **Frontend Developer** with a passion for **3D visuals, interactive UIs, and modern web experiences**. Skilled in React, Next.js, and Three.js with proven ability to design **immersive, user-friendly applications**. Experienced in API integration, state management, backend technologies and mobile development. Excited to bring both creativity and technical expertise to companies looking for developers who can **stand out and deliver**.

PROJECTS

Interactive Animated Resume (2025) – [View Project](#)

A **live, animated, and interactive resume** built with **HTML, CSS, JavaScript, and GSAP**, designed to give recruiters and collaborators a **quick, engaging overview** of my developer journey.

- Features **tab-based navigation** with smooth GSAP animations.
 - Showcases skills, experience, and projects in a visually appealing, easy-to-skim format.
 - Acts as a **prelude to my upcoming 3D portfolio site**, blending creativity with clarity.
-

Crypto Tracker (2025) – [View Project](#)

A real-time cryptocurrency tracker built with **JavaScript ES6, React and Chart.js**.

- Displays live prices, historical data, and market trends.
 - Optimized with server-side rendering for fast load times.
 - Interactive, mobile-friendly charts for seamless user experience.
-

AI-Powered Developer Personal Assistant (DPA) (2025) – [View Project](#)

A **local AI-powered assistant** for developers, built with **Next.js 15, TypeScript, Tailwind, and shadcn/ui**, designed to **support learning, projects, jobs, and coding help—all in one place**.

- Integrated AI prompts for coding guidance, project brainstorming, and job applications.
 - Clean, responsive UI with **shadcn/ui + Tailwind**.
 - Acts as a personal **productivity and learning hub** for developers.
-

WORK EXPERIENCE

Freelance | OPEN SOURCE CONTRIBUTIONS *(Feb – April 2025)*

- Worked with different teams on only dust on multiple open source projects.
-
